Letter No D3-1926/35-36 dated 5-12-1935 from the Deputy Commissioner, Mysore District requesting sanction to certain proposals of the Nanjangud Town Municipal Council in connection with the levy of toll and pilgrim tax in the Municipality.

Sanction is solicited to the following -

(a) Revised Rules for the levy of toll

(b) Revised Rules for the levy of pilgrim tax on passengers - by road

(c) Levy of the revised rates of vehicle taxes

(d) Collection of toll and pilgrim tax by Amani for a period of six months

(e) Employment of 12 persons on Rs 9 each per mensem temporarily for a period of six months

It is reported that objections have been called for in regard to the revised rules (a), (b) & (c). It is not clear why sanction of Govt is sought for to the rules before observing the usual formalities on the ground that there is not sufficient time. This cannot perhaps be accepted. Further report of the D C Mysore may be awaited.

In the meantime the file may be referred to the Special Section for noting whether the toll

Submitted for orders

2) The rules for the levy of pilgrim tax on visitors to Nanjangud by Railway, with effect from 1st July 1935, were sanctioned in Government Order No L 7577-9/M1 2211-3344 dated the 29th April 1935 No Period was prescribed for the operation of the rules which therefore continue in force even after 1st January 1936 There is therefore no necessity to reissue the same as proposed by the Municipal Council

As regards levy of the tax on visitors by road, this was ordered to be made in the form of enhanced toll on vehicles entering the Municipality But the revised toll rules for this purpose were sanctioned for a period of six months only i-e, from 1st July 1935 to 1st January 1936, in view of the fact that under the Road Traffic Regulation motor cars paying vehicle tax and Motor Buses ~~have to~~ would be exempt from Municipal toll and the new tax could not therefore be levied in the shape of toll on motor vehicles The Deputy Commissioner was accordingly requested in para 2 of the Government Order dated the 29th April 1935, to submit, before the end of November 1935, proposals for the levy of the pilgrim tax by some other methods such as by levy on individual passengers entering the town by road etc, instead of on vehicles from 1st January 1936

The position does not seem to have been properly

properly understood by the Municipal Council, who have now proposed the issue of two sets of rules (1) for regulating the levy of toll, with the exemptions allowed under the Road Traffic and Taxes Regulation and (2) for the levy of pilgrim tax on vehicles entering the Municipality It was clearly stated in the Government Order referred to above that from and after 1st January 1936 the new tax could not be levied in the shape of toll on motor vehicles, and the illegality of the levy of an additional toll though under the name of pilgrim tax had also been pointed out to the Deputy Commissioner in this office letter No L 4373 dated the 22nd December 1934 In spite of these clear instructions, the Municipal Council have proposed, and the Deputy Commissioner has recommended, the levy of pilgrim tax on vehicles entering the Municipality This proposal cannot be sanctioned

Even the rules for the levy of toll on vehicles cannot be sanctioned until the objections called for thereon on 23rd November 1935 by the Municipal Council are received and considered by them and their final resolution is received here, as the procedure laid down in Sections 62 and 47 (2) of the Town Municipalities Regulation is mandatory and cannot be departed from

It is not also possible to extend the period of operation of the existing rules after 1st January 1936, as under Section 64 (c) the levy which has been sanc-

anctioned for six months has to cease at the end of December 1935

The position therefore is this viz , that neither ordinary toll nor pilgrim tax can be levied from 1st January 1936 as proposed by the Municipal Council, and the Municipality will have to lose this revenue for some time The Deputy Commissioner has to be informed accordingly and asked to submit (1) separate proposals for the levy of pilgrim tax on individuals entering the Town by road or by some other method except on vehicles conveying them, and (2) final proposals for the levy of toll after considering the objections if any that may be received from the inhabitants

Pilgrim tax, Nanjangud Mun

Ml File No 98 of 1935

Regarding the pilgrim tax on visitors to Nanjangud (Mun I)
by road, the Municipal Council propose to levy the
tax on incoming visitors travelling by conveyances
In G O No L 4758-61/Ml 98-35-9 dated 20-12-35 A x
the pilgrim tax was ordered to be levied on outgoing
passengers only instead of incoming visitors
Reading to the present proposal of the Municipal
Council the pilgrim tax will be levied on out-
going passengers by rail and incoming
passengers by road so that there will be
an evasion from the payment of the tax by
persons coming in by rail and going out by
road There must therefore be uniformity in the levy both
by rail or road for preventing evasion

27 As regards the mode of levy, I think it should be the same whether the pilgrims come by rail or road If the intention is to tax persons going out of Nanyangood, then the tax has to be on persons going out whether by rail or road It is not legally right to collect the tax

Revised rules for the levy of toll, Pilgrim tax and vehicle taxes in the Nanjangud Town Municipality with effect from the 1st January 1936
=====

In forwarding herewith letter No H C 33/35-36 dated 25th November 1935, from the President of Nanjangud Town Municipal Council, regarding the above, I have the honor to state that the levy of pilgrim tax was sanctioned in Government Order No L 7577-9/Ml 224-33-14 dated 29th April 1935 On receipt of this order, the Agent, Mysore Railways, suggested slight modifications with regard to the levy of the tax on season ticket holders and also stated that the collection of the pilgrim tax might be undertaken by the Municipality The Government after considering the views of the Municipal Council and the Agent, Mysore Railways, have in their Order No L 467-70/Ml 224-33-20 dated 17th July 1935 sanctioned the levy of pilgrim tax with slight modifications and directed that the collection of this tax should be made by the Railway Department The Municipal Council at their meeting held on 23-11-1935 have resolved that the Government may be requested to have the tax collected on Railway passengers, through the Railway Department, as it would not be possible for the Municipality to collect it They have also agreed to pay 5 per cent of the proceeds to the Railway Department for meeting the establishment charges

The revised rules, framed for the levy of toll at Municipal toll-gates, have also been passed by the Municipal

Municipal Council These rules have been revised in accordance with the provisions of the Mysore Road Traffic and Taxes Regulation of 1936 and provision made for exemptions as per instructions, contained in G O No P 3318/Legis 46-35-7 dated 18/19th November 1935 Under Sec 62 of the Town Municipal Regulation of 1933, objections are reported to have been invited from the public and the result will be reported in due course

Simultaneously, the Municipal Council have also revised the levy of vehicle taxes which were sanctioned in Government Order No L 8154/M1 69-22-73 dated 20th June 1923 Objections in respect of registration fees also have been called for and the result will be intimated after the prescribed date The President has reported that the rules no framed provide for all exemptions under Toll and Pilgrim Tax and as there is very little time, sanction of Government may kindly be obtained early as one month's notice is required under Sec 64 of the Town Municipal Regulation of 1933 for recovering the sanctioned levy

The Municipal Council have resolved that the collection of toll and pilgrim tax on road traffic may be done departmentally for the next half year in order to have an idea of actual receipts under both the heads

As there is hardly any time for publication in the Gazette of the notification for selling the right of collecting toll and pilgrim tax on road traffic, and the Municipal Council desire to work it out Amani, I request that sanction of Government may kindly be obtained for the revised rules and for the toll and pilgrim tax on road traffic being collected departmentally for the next half year

The Agent of the Mysore Railways may kindly be instructed to make arrangements as heretofore for collecting the pilgrim

22

pilgrim tax on Railway passengers The Municipal Council have also agreed to pay 5 per cent of the proceeds for collection charges

As regards the establishment required for the collection of toll and pilgrim tax on road traffic by the Municipality the Municipal Council have proposed that 12 parsons on Rs 9/- each may be appointed temporarily for a period of six months

As the expenditure exceeds Rs 50/- a month, sanction of Government may also be obtained for the above temporary establishment as per resolution of the Municipal Council

The revised rules with connected papers are enclosed for favour of perusal

the same have been passed by the Council at their meeting on 23-11 35-
A copy of the rules thus framed is enclosed herein for favour of perusal
Objections regarding alteration in rules have been called for under
Section 62 of the Town Municipalities Regulation and the result
will be intimated to you in due course It has to be stated in
this connection that the rules framed now provide for all
exemptions under Toll as well as pilgrim tax and as there is very lit
time ahead a recommendation may kindly be made to Government
to sanction the same as again under Section 64 one months notice
has to be given for actually recovering the sanctioned levy
As time would be a gain, it is requested that Government may
be addressed to sanction the levy with effect from 1st January
1936

Side by Side with these revised rules, it was found necessary
to alter the rules & rates in force in this municipality for the
levy of Vehicles Tax sanctioned by Government in G O No d
815-9/ML 69-22-73 dated 20-6-1923 Rules have been framed
raising the rates of registration fee and objections in respect of
this also has been called for and the result will be intimated
to you in due course

The Council have further resolved to collect the Toll and
pilgrim tax amount for the next half year so as to get an idea
of actual collection from the levy of these taxes Further there
will be very little time for the publication of these rules to facilitate
setting the right

In View of the urgency of the matter I request you to
kindly recommend to Government to sanction these rules and
also address the Agent Mysore Railways to collect the tax as is done
at present

I have the honour to be
Sir
your most obedient servant

To

The Deputy Commissioner,

Mysore District

Sir,

With reference to your letter No D$-1926/35-36 dated 5th December 1935 requesting sanction to the marginally noted proposals of the Nanjangud Town Municipal Council in connection with the levy of toll and Pilgrim Tax in the Municipality, I am directed to state as follows -

(a) Rules for the levy of Pilgrim Tax on visitors by rail

(b) Rules for the levy of Pilgrim Tax on vehicles entering the Municipality

(c) Revised rules for the levy of toll on vehicles

(d) Revised rules for the levy of vehicle taxes

(1) Levy of Pilgrim Tax on Visitors by Rail -

In the G O No L 7577-9/Ll 224-33-14 dated 29th April 1935, no period was prescribed for the operation of the rules for the levy of pilgrim tax on railway passengers to Nanjangud There is therefore no necessity to re-issue the same as proposed, and the notice No HC 33/34-35 dated 23rd November 1935 calling for objections to the above rules published by the Municipal Council may be withdrawn

(2) Levy of Pilgrim Tax on Visitors by Road -

As regards the levy of the tax on vehicles entering the Municipality by road, reference is invited to this office letter No L 4373/Ll 224-34-5 dated 22nd December 1934 pointing out the illegality of the levy of an additional toll on vehicles through though under the name of pilgrim tax It was on account of this as also on account of the exemption of motor vehicles from payment of toll under the Road Traffic and Taxes Regulation from 1st January 1936, that you

Date 20/12/(4)

ere requested, in para 2 of the Government Order of 29th April 1935, to submit, before the end of November 1935, proposals for the levy of pilgrim tax on visitors by road, by some other methods such as by levy on individual passengers entering the town by road etc , instead of on the vehicles carrying them, from 1st Jany 1936 The proposals now sent for continuing the levy of pilgrim tax on vehicles, in contravention of the clear instructions of Government, cannot be sanctioned I am therefore to request you to ask the Municipal Council to submit fresh proposals on the lines indicated already for the levy of the tax on individual passengers entering the town by road, after observing the prescribed formalities Till such proposals are received and sanctioned by Government, the levy of pilgrim tax on visitors by road has to cease from 1st January 1936 In formulating the proposals in this behalf the procedure sanctioned in G O No L4758-61/pmc 98 359 dated ~~L4758-61~~ 20/2-35 for collecting the tax on out-going passengers by rail instead of on those coming in, may be adopted

Since Section 31 of the Road Traffic & Taxes Regn the Municipal council is also incompetent to levy any tax on motor vehicles.

3 Levy of Toll - ~~In regard to this~~, Sanction is sought for the revised rules for the levy of toll on vehicles, before the Municipal Council considers the objections called for and records its final resolution thereon I am to state that this is not possible, as the procedure laid down in sections 62 and 47(2) of the Town Municipalities Regulation is mandatory and cannot be departed from The levy of tolls on vehicles should therefore also cease from 1st Jany 1936, till the revised rules are finally

sent up to Government and ~~approved~~ sanctioned - 34

4 Levy of Vehicle Tax - In regard to the revised rules proposed for the levy of vehicle tax, I am to observe that the rules seem to have been framed without reference to section 31 of the Road Traffic and Taxes Regulation and the instructions issued in this office letter No L 3276-83 Mz 119-35-1 dated 7-11-1935 The rules therefore require revision

on individual passengers entering the town by road etc., instead of on the vehicles carrying them, from 1st January 1936. The proposals now sent for continuing the levy of pilgrim tax on vehicles, in contravention of the clear instructions of Government, cannot be sanctioned. Under Section 31 of the Road Traffic and Taxes Regulation the Municipal Council is also incompetent to levy any tax on motor vehicles I am therefore to request you to ask the Municipal Council to submit fresh proposals on the lines indicated already for the levy of the tax on individual passengers entering the to n by road, after observing the prescribed formalities. Till such proposals are received and sanctioned by Government, the levy of pilgrim tax on visitors by road has to cease from 1st January 1936. In formulating the proposals in this behalf the procedure sanctioned in Government Order No. L4758-4/mc98-35 dated 20-12-35 for collecting the tax on out-going passengers by rail instead of on those coming in may be adopted.

3 Levy of Toll.

Sanction is sought for to the revised rules for the levy of toll on vehicles, before the Municipal Council considers the objections -- called for and records its final resolution thereon. I am to state that this is not possible, as the procedure laid do n in sections 62 and 47(2) of the Town Municipalities Regulation is mandatory and cannot be departed from. The levy of tolls on vehicles should ther - fore also cease from 1st January 1936, till the revised rules are finally sent up to Government and sanctioned.

4. Levy of Vehicle taxi-

In regard to the revised rules proposed for the levy of vehicle tax, I am to observe that the rules seem to have been framed without reference to section 31 of the Road Traffic and Taxes Regulation and the instructions issued in this office letter No. -. 3276-83/M1. 119-35-1, dated 7th November 1935. The rules therefore require revision.

Revised rules for the levy of Toll, Pilgrim Tax and Vehicle Taxes in the Nanjangud Town Municipality

---

With reference to your letter No L 4762/M1 98-35-10 dated 20-12-1935, re the above, I have the honor to state that the President has reported that the revised rates framed in respect of the above were published locally on 24-11-1935 and also in two successive issues of the Mysore Gazette, calling for objections and suggestions, as required under Sec 62 of the Town Municipal Regulation of 1933 Only two objection petitions were reported to have been received, one from the Secretary of Automobile Association and other from Mr Ranganna The Secretary of the Automobile Association points out that the Municipal Council cannot levy any tax on Motor Vehicles as it would contravene Sec 31 of the Road Traffic and Taxes Regulation of 1935

A special general meeting was held on 25-12-1935 to consider the above objections and an extract of the Council's resolution is herein enclosed for perusal

The Municipal Council have adopted the suggestions made in Government Order No L 7577-9/M1 224-34-4 dated 29-4-1935 to levy the pilgrim tax on individual passengers travelling in conveyances entering the Town and have framed rules in the matter

Objections for the levy of this tax are reported to have been called for under Sec 64 of the Town Municipal Regulation of 1933, and the result will be reported in due

in due course The Municipal Council have expressed their unwillingness to levy the pilgrim tax on foot passengers in view of certain difficulties in collection They have proposed to levy the pilgrim tax on out-going passengers on Railway instead of incoming passengers as suggested in G O No 4758-6/M1 98-35-9 dated 20-12-1935 They have also proposed to levy the tax from the incoming visitors travelling by means of conveyances

As regards the levy of toll, the President has reported that notifications calling for objections and suggestions were published locally on 29-11-1935 as well as in the official Gazette for the week ending with 5th December 1935, and 12th December 1935

One objection was received and the Municipal Council having considered the same, have resolved that the rules issued are in order, as the same provide for all exemptions under the Road Traffic and Taxes Regulation Since the provisions of Sec 62 of the Town Municipal Regulation, have been strictly followed, the proposal of the Municipal Council may kindly be sanctioned immediately

As regards the levy of vehicle Tax, the Municipal Council have resolved that items (1 to 4) in the Schedule may be eliminated and the proposals in respect of other items be submitted to Government for sanction

I request you to kindly obtain sanction of Government immediately to the proposal of the Municipal Council with effect from 1st January 1936

THE DEPUTY COMMISSIONER

MYSORE

Sir

With reference to your memo No D3 1926-35 forwarding a copy of the Development Secretary's letter No L 4762/mi 98-35-10 dated 20th December 1935 regarding levy of Pilgrim tax on vehicles by road and Revision of Toll Rules and Vehicles tax in this municipality, I have the honour to state that the rules framed in respect of the above were published locally on 24-11-35 and also in two successive issue issues of the Mysore Gazette on the 5th and 12th instants calling for objections and suggestions as required under section 62 of the Town Municipalities Regulation

Only two objections were received one from the Secretary of the Automobile Associations and the other from Mr Rangamma The Secretary Automobile Association points out that the municipality cannot levy any tax on motor vehicles as it would contravene Section 31 of the Road Traffic and Buses regulation This contention is accepted Mr Rangamma objects to the levy of Pilgrim tax on carts others than those in which the pilgrims come

A Special general meeting to consider these objections and also those contained in the Development Secretary's letter quoted above was convened on the 25th instant and a copy of the various resolutions passed by the Council is here enclosed for favour of perusal

T 2 Levy of pilgrim tax on vehicles by road

The Council have adopted the suggestion made in G.O.No D 75 77-9 Mi 229-33-4 dated 29-4-35 to levy the same on individual passengers travelling in conveyances entering the town and have framed rules in the matter Objections under section 64 are being called for in respect of these rules and the result will be intimated in due course

P T O

they have [redacted] passengers in view of the doubtful [redacted] of the payment This levy is analogous to the levy now obtaining on Railway passengers with the difference that the levy is to be made in coming passengers while on the railway it will be on the outgo as per G o No 4758-61 Rd 98-35-9 dated 20-12-35

Levy of toll

As regards the levy of toll the notification calling for objections and suggestions was published on 29-11 35 locally as well as in the official Gazette dated 5th of 12 th instant and one objection Vide supra was received and the Council having considered the same have resolved that rules and the notification issued are in order as the same provide for all the exemptions contemplated under under the G o No P 3318 dtgs 4 6-35-7 dated 19-11 35 and under the Road Traffic and Taxes' Regulation and that the same be submitted to the Government for sanction with effect from 1-1-36 It has to be stated in this Connection that the rates now proposed are similar to those in force and the rates have neither been enhanced nor lowered. Since the provisions of section 62 I M R have been fully and strictly followed it is requested that this proposal be kindly sanctioned immediately failing which the collection of toll will have to stop on 1st January 36 A copy of the final resolution of the Council in the matter is herein enclosed for favour of sanction If this is not done the municipality will loose its legitimate income which would tell adversely on the condition of its meagre finances

4 Vehicles Tax

Notification Calling for objections in respect of Vehicle's taxes also was published as aforesaid and no objection from the public was received But as objection was taken to the inclusion of Motor Vehicles by the Development Secretary Vide his letter quoted in para 1 Supra, the Council at their meeting have resolved that items 1 to 4 (inclusive) may be eliminated and the proposals in respect of other items be submitted to Government for sanction A copy of the resolution is enclosed

Under the circumstances I request you to kindly recommend to Government to sanction the rules for the levy of toll and Vehicles tax urgently to the effect from 1-1-36 as there is very little time ahead

I further beg that the entertainment of additional establishment as already stated in this Office No Hc $\frac{33}{34-35}$ dated 25-11-35 may also be kindly sanctioned
